*Las Cruces, New Mexico – 12 September 2017* – The NAACP Dona Ana County Branch is proud to announce a new website created to better inform and serve the Dona Ana County community. The website supports the NAACP objective to ensure the political, educational, social and economic equality of citizens of Dona Ana County and eliminate racial prejudice and discriminatory practices through democratic processes.

“This website is a great resource for our branch to communicate with our growing members and supporters,” said Curtis Rosemond, President of the NAACP Dona Ana County Branch. The website format will continue to evolve to better reflect the needs of our members and ultimately the community. For example, the NAACP Dona Ana County Branch is honored to be selected to host the 66<sup>th</sup> Annual 2017 NAACP State Conference. We cordially invite our community to visit our website at [www.naacpdac.com](http://www.naacpdac.com) to get information on how they can participate and support this statewide event. The announcement of this important event is only one of many ways this new website will keep our community, informed and served.
